Sub: EKI Energy Services Limited' Associate World of Circular Economy (WOCE) Empowers Climate Action with AI.

Dear Sir(s),

EKI Energy Services Limited ('EKIESL' or 'the Company') hereby update that WOCE Solutions Private Limited, associate company of EKIESL has launched an innovative AI-powered platform 'esgpro.ai', designed to empower domestic and foreign companies in navigating environmental, social, and governance (ESG) compliance and reporting. This cutting-edge platform offers a comprehensive suite of features, including an ESG dashboard, reporting tools aligned with global frameworks like TCFD (Task Force on Climate-Related Financial Disclosures), CDP (Carbon Disclosure Project), and SASB (Sustainability Accounting Standards Board), and a decarbonization roadmap development for companies.

esgpro.ai is a timely solution that aligns with the world's growing commitment to sustainability and ESG compliance, especially in India. This launch positions WOCE as a game-changer for businesses seeking to navigate the evolving sustainability landscape.

Further details are highlighted in the annexure below.

The above information will also be made available on the website of the Company:
www.enkingint.org.

We request you to kindly take this information on record.

Thanking you

Yours Faithfully

For EKI Energy Services Limited

Itisha Sahu
Company Secretary & Compliance officer

Annexure

About esgpro.ai

esgpro.ai is an AI-powered platform launched by World of Circular Economy (WOCE) to aid companies in environmental, social, and governance (ESG) compliance and reporting. This innovative tool simplifies complex reporting frameworks such as GRI, BRSR, TCFD, CDP, and SASB, making it easier for businesses to meet regulatory requirements. Leveraging advanced AI, esgpro.ai provides insightful compliance solutions and includes a comprehensive decarbonization roadmap to help companies reduce their carbon footprint. WOCE, a Delhi-based startup, supports diverse sectors like logistics, manufacturing, travel, and hospitality, and is expanding into the MENA region. With esgpro.ai, businesses can seamlessly integrate ESG principles, ensuring regulatory compliance and creating long-term value.

About World of Circular Economy (WOCE)

WOCE Solutions Pvt. Ltd. is a Delhi-based startup on a mission to build a more sustainable future for all, with a mission to enable businesses, organizations, and individuals to solve sustainability challenges and realize competitive advantage and impact at scale towards Net Zero 2070. Founded in May 2022, the company offers a blend of consulting (WOCE Consulting) and technology (WOCE LABS) solutions that include defining sustainability strategy and roadmaps and regulatory compliance solutions, sustainability education and training, as well as a platform and product suite for sustainability measurement (scope 1, 2, and 3 emissions reporting), analytics, and performance tracking. WOCE also provides services related to regulatory reporting and compliance for GHG, GRI, TCFD, CDP, SECR, and other standards. Through its comprehensive solutions, WOCE is committed to building a more sustainable future for all.
