EKI Energy Services Ltd. Secures Spot on The Next 500 - Fortune India List 2024

India, April 01, 2024: EKI Energy Services Ltd., a pioneering carbon credit developer and supplier renowned globally, has clinched a coveted spot on The Next 500 - Fortune India List for 2024. This recognition underscores EKI's unwavering commitment to environmental sustainability and its impactful contributions to the global green economy.

Inclusion in The Next 500 - Fortune India List serves as a testament to EKI's dedication to excellence, innovation and social responsibility. Having also featured on the prestigious list in 2023, EKI's consecutive appearances highlight its sustained growth, leadership and positive impact on the industry.

Mr. Manish Dabkara, MD & Chairman, EKI Energy Services Ltd., said, *"We are immensely proud to be recognized on The Next 500 - Fortune India List for 2024, marking our consecutive win. This accolade reaffirms our mission to drive positive change and underscores the collective efforts of our team towards sustainability and making a positive impact on the planet. At EKI, we remain steadfast in our commitment to pioneering sustainable solutions and shaping a greener, more prosperous world for generations to come."*

"As a company deeply committed to sustainability, our journey towards a greener tomorrow is powered by the passion and dedication of our team. Securing this prestigious spot reflects not only our achievements but also our collective vision for a more environmentally conscious future", said **Mr. Pankaj Pandey, COO, EKI Energy Services Ltd.**

With a team of experts deeply entrenched in carbon emissions, climate change, and sustainability, EKI stands ready to guide businesses in understanding and managing their environmental impact. Beyond mere certificates, EKI actively collaborates with businesses to identify opportunities for supporting environmental and social causes, driving tangible change in communities worldwide. Leveraging innovation, EKI Energy Services continually explores cutting-edge technologies and strategies to make the journey towards carbon neutrality more accessible and impactful.

As the new financial year unfolds, EKI positions itself to maintain its leadership in global decarbonization efforts. With an unwavering commitment to driving substantial change through market-based mechanisms and innovative climate-positive projects, the company is poised for continued success. Strategic partnerships with leading sustainability brands, policymakers and stakeholders will be paramount, enabling EKI to enhance services, leverage cutting-edge solutions and empower clients with the latest advancements in sustainability practices.

Furthermore, EKI is directing its resources towards diversifying its business into the circular economy, extending the sustainability agenda beyond carbon reduction. This strategic shift reflects a commitment to

embracing a more holistic environmental approach. With sustainability ingrained in its organisational culture, EKI aims to inspire communities and organisations to minimize their carbon footprint, recognizing that sustainability is a collective endeavor. Together with its subsidiaries - GHG Reduction Technologies Pvt. Ltd., Amrut Nature Solutions Pvt. Ltd., EKI Power Trading Pvt. Ltd. and Galaxy Certifications Services Pvt. Ltd. - EKI continues to innovate, collaborate and expand, paving the way for a more sustainable future.
